

NEW! SUMMER 2020

TRAVELING SCIENCE

The Michigan Science Center is celebrating the scientists and inventors in history that made our lives easier, safer, and simply more fun! Look for us on the road starting in June 2020 with our newest Traveling Science programs, all about the brilliant minds that shaped our modern world.

EUREKA!

GROUP PRESENTATION/ASSEMBLY
\$375 PER PRESENTATION
45 MINUTES / UP TO 250 PEOPLE

Imagine where we would be without inventions such as the light bulb, microwave oven, or even our favorite toys. Join us as we explore the unexpected and amazing tales of how these everyday modern marvels came to exist.

SCIENCEPALOOZA 2.0

SCIENCE FESTIVAL / FAMILY SCIENCE NIGHT
STARTING AT \$550
UP TO 3 OR 7 HOURS / UP TO 500 PEOPLE

Our most popular festival is getting an overhaul! This kit of 10 hands-on stations will introduce students to cutting edge science concepts and technology being used around the world to innovate a brighter future for all humankind. *This program requires the use of 10-12 volunteers.*

SIMPLE CIRCUITS AND/OR DIGITAL BLING STATION*

HANDS-ON WORKSHOPS
STARTING AT \$300
45 MINUTES / UP TO 60 STUDENTS

Book one or both of our hands-on electricity workshops where students will learn the basics of circuitry and how electricity is generated. During 'Digital Bling' students will create their own wearable tech to take home!

**\$25 materials fee per workshop*

Contact our team at Outreach@Mi-Sci.org, **313.577.8400, ext. 474**, or through our [online inquiry form](#) for additional information and reservations.

The Michigan Science Center is a 501(c)(3) Nonprofit organization.
